

Squash Leagues & Competitions for Vic Park Squash Members

VPS Monday Night In-House League

Vic Park's famous Monday night in-house competition - fully run by the club, for the club! Similar format to traditional pennants, but with a great social/club vibe, and all games played at home against other Vic Park members (and friends). League is comprised of teams of 4 - 5 players (depending on numbers). Players are assigned to a position in a team based on their rating/level. All teams then play against each other in a weekly league format. Light supper is provided by the club for all players each week.

- **Start time:** 6pm
- **Cost:** \$100 per season (adults), \$50 per season (juniors). No weekly fee.
- **Eligibility**
 - Individual entry - you'll be placed in a team by the organisers
 - Open to all levels and abilities

Tuesday Night Pennants

Traditional home and away pennant league. You'll play in a Vic Park team against teams from rival clubs, in a division assigned based on the average SportyHQ ratings of the players on your team. All players on your team should be ranked within fairly close proximity of each other (aim for no greater than an 80-point discrepancy between the team's highest & lowest player). Home team provides supper each week (you may opt out, but if doing so must inform all other teams in the competition prior to Round 1). Home team is also responsible for entering all results into SportyHQ. More info [here](#).

- **Start time:** Between 6:30pm - 7:30pm (varies at different centres)
- **Cost:** \$35 per player, per season (invoiced via VPS), plus court fee each week to be paid directly to the host venue (varies at each centre, approx. \$12 - \$15 p/p)
- **Eligibility**
 - Team entry - players must form a team of similarly ranked players and provide this to the club captains when nominating
 - Open to all levels and abilities (will be placed in appropriate division based on team average)

Thursday Night League

Similar format to VPS In-House comp, but for players from all Perth clubs. Moves to different squash centres each week. Players are placed into teams by organisers, containing a mix of players from various clubs. These assigned teams then compete against each other in a league format throughout the season (much like both pennants & in-house). One allocated team from each match-up provides supper each week (schedule set by organisers prior to Round 1).

- **Start time:** Between 6:30pm - 7:30pm (varies at different centres).
- **Cost:** \$35 per player, per season (invoiced via VPS), plus court fee each week to be paid directly to the host venue (varies at each centre, approx. \$12 - \$15 p/p)
- **Eligibility**
 - Individual entry - you'll be placed in a team by the organisers
 - Open to all levels and abilities (will be placed in appropriate division based on team average)

Wednesday Day League

Same format as Thursday Night Mixed League, but on Wednesday mornings (see above). More info [here](#). One allocated team from each match-up provides lunch each week (schedule set by organisers prior to Round 1).

- **Start time:** 9:30am
- **Cost:** \$35 per player, per season (invoiced via VPS), plus court fee each week to be paid directly to the host venue (varies at each centre, approx. \$12 - \$15 p/p)
- **Eligibility**
 - Individual entry - you'll be placed in a team by the organisers
 - Open to all levels and abilities (will be placed in appropriate division based on team average)

Mens And Ladies State Grade (Tuesday Nights)

Similar format to Tuesday night pennants, but for players at **state grade** level. Currently an entry level state-grade player has a SportyHQ rating of approx. **1450+** for men, or **900+** for women.
